

## NEWSLETTER 1 of 2024

### A WORD OF WELCOME

In this first Newsletter of 2024, the SANASE President, Mr Mashaphu, would like to take the opportunity of wishing all SANASE member schools a productive and prosperous 2024. He wishes to encourage SANASE member schools to provide education access to learners with special educational needs so that no learner is left at home when they should be in a school. He furthermore alludes to the importance of the upcoming School Governing Body Elections during the month of March 2024.

### MEMBERSHIP FEES

Payment of the 2024 membership fees is now due. The fee breakdown for different school types is as follows:

Special Schools & Full Service Schools: R2600  
Care Centres: R1350

We appreciate the schools that have already settled their membership fees and we would also like to welcome the Free State schools who have after many years, joined the SANASE family again. We are delighted to have them as part of the organisation.

Kindly be aware that to participate in the planned SANASE activities, your school must be a fully paid member of SANASE for the year 2024. Utilize the membership link provided below to complete your school's registration with SANASE.

# SCHOOL A VISIT TO....

The NEC and Gauteng PEC had the opportunity to visit Usizolwethu Special School and Daveyton Special School on February 16, 2024. Both schools are dedicated to providing quality education to learners with special needs. The warm welcome and inclusive atmosphere showcased the commitment of the school communities. We saw firsthand the innovative teaching methods and diverse skills subjects offered, enriching the academic experience. Daveyton Special School's impressive 100% pass rate in the 2023 Matric exams highlights their dedication. Congratulations to them! This success underscores the transformative power of education. We're inspired to continue our partnership with these schools to foster inclusivity and equity in education.

## Capacity building In KwaZulu Natal

From February 28 to March 1, 2024, SANASE KZN had a hugely successful capacity building workshop at the Riverside Conference Venue. Over 105 delegates from 40 member schools attended on average each day, exceeding the maximum number of delegates. The training's main objectives were curriculum creation for educators and financial management for SMTs.

The training was highly relevant and of excellent quality, according to the workshop evaluation. It was furthermore recommended that the resource development component, in future, be extended to five days rather than the three that were allotted.

## Announcement

A National Capacity Building Workshop is planned for Provincial Chairpersons, Treasurers and Secretaries.

**Date:** 3 & 4 May 2024

**Venue:** Gauteng

**More information will follow soon!**
